CATALOGUE AND PRICE LIST
of
TREES, SHRUBS AND VINES

Adapted to the Gulf Coast Country.

*All Nursery Stock in this List was Grown in the
South and will Give Satisfaction.*

SALUTE TO THE TREES.

Many a tree is found in the wood
And every tree for its use is good:
Some for the strength of the gnarled root,
Some for the sweetness of flower or fruit;
Some for shelter against the storm,
And some to keep the hearth-stone warm;
Some for the roof and some for the beam,
And some for a boat to breast the stream;—
In the wealth of the wood since the world began
The trees have offered their gifts to man.

—Henry Van Dyke.

The Jennings Nursery,
Jennings, Louisiana,
1921-22

TERMS OF BUSINESS.

All prices are f. o. b., Jennings, La. Small orders can be sent by parcel post. Add 10 cents for postage for each dollars worth. No orders sent C. O. D. Full remittance should accompany your order. If trees are not as represented or better we will be glad to adjust the matter to your entire satisfaction.

Shipping season from December 1st to April.

Please make your order at least \$2.00.

INFORMATION.

We are just as anxious to have our trees do well after you plant them as you are and will be glad at any time to aid you in any way we can; just drop us a line for information about culture, spraying, etc.

FREE GRAPE VINES.

We will include a good grape vine in your order free, for 10 names of property owners who might be interested in our catalogue.

"LITTLE PRUNING BOOK."

A valuable book on this subject regularly sold for 50c will be sent free with orders of \$10.00 and up, when requested.

PRUNING.

Pruning very often means success or failure in planting trees; nearly all trees must be severely pruned, and unless this is done at the nursery, it is nearly always neglected; few nurseries take time to do this and send out trees with their entire top, and the average planter, not understanding pruning, plants them just as they come with the result that many of the trees die and many more develop an unshapely or bad top. It means much additional expense for us to do this but we want our trees to grow and will properly prune every one we send out unless advised to the contrary. We are not satisfied with the performance of our trees unless you are, so tell us about them from time to time.

FRUIT DEPARTMENT.

PAPER SHELL PECANS.

Our pecan trees this year seem to be better than ever, and prices much lower. They are dug with practically all roots; with ordinary care, will grow just as easily as a peach tree. Varieties: Stuart, Schley, Success, Alley, Bradley and Frotcher.

Size	Each	Dozen	100
2 to 3 feet high (out)	\$1.00	\$10.00	\$ 80.00
3 to 4 feet high	1.50	16.50	130.00
4 to 5 feet high	2.00	21.50	170.00
5 to 7 feet high	2.50	27.00	210.00
7 to 9 feet high	3.50	38.00	310.00
9 to 12 feet high	5.00	54.00	

Where only a few trees are needed, plant the large sizes; they will give you quicker results. They also make fine shade trees.

ORANGES, GRAPE-FRUIT, ETC.

Oranges are "coming back;" we have already sold many hundreds of them this season. Stock is exceptionally good.

Size	Each	Dozen	100
1 to 2 feet	\$.50	\$ 5.50	\$40.00
2 to 3 feet	.75	7.75	60.00
3 to 4 feet	1.00	10.75	85.00
4 to 5 feet	1.25	13.75	
5 to 7 feet	1.50		

Better and quicker results are obtained by getting orange trees with ball of earth around roots (Balled and Burlapped.) Prices for B. B. are double the ordinary prices.

Varieties: Satsumas, Louisiana Sweets, Parson Brown, Pineapple, Mandarins, Tangerines, Grapefruit, Ponderosa Lemons.

ORANGES, BUDDED ON SWEET STOCKS.

If the buds or tops of these trees are killed by cold or any other cause, the sprouts will still bear good, sweet fruit.

Size	Each	Dozen
2 to 3 feet	\$1.25	\$13.75
3 to 4 feet	1.50	16.25
4 to 5 feet	2.00	20.00

For B-B, (heavy balls) 50c, 75c and \$1.00 in addition to the above.

SEEDLING ORANGE TREES.

Some folks still believe that seedling trees are more hardy than budded ones. We offer a few large 3 year old trees at \$1.50 each.

KUMQUATS.

These might be called a combination tree, for they are both a fruit tree and a mighty fine ornamental shrub; in bloom all summer. We offer three varieties, the Round, Oblong and the New Sweet (Niewa.)

Size	Each	Dozen
1 year, bushy	\$1.50	\$2.75
1 year bushy B-B	3.00	5.50

PEACHES.

Peaches must be planted in rich, well drained soil; the garden is the place for them if you plant only a few trees.

Size	Each	Dozen	100
2 to 3 feet high (out)	\$.40	\$ 4.25	\$30.00
3 to 4 feet high	.65	7.25	50.00
4 to 6 feet high	.75	8.25	65.00
Ex. large	1.00	10.50	

Peaches on plum roots, 25 cents per tree additional. Said to live longer. Varieties: Mayflower, (May,) Jeff Davis (June), Elberta (July)

PLUMS.

Plums are not quite as choicy as peaches as to where they are planted, but need good soil for best results. They seem to do remarkably well in chicken yards.

Size	Each	Dozen	100
2 to 3 feet (out)	\$.50	\$ 5.50	\$40.00
3 to 4 feet	.75	8.25	65.00
4 to 6 feet	1.00	10.75	85.00
Ex. large, 2 year	1.25	13.00	

Varieties: Excelsior, (best yielder) Red June, Abundance.

PEARS.

The fine varieties like Bartlette, Seckel, etc., cannot be grown successfully in the Coast Country on account of the Pear Blight. The kinds listed below are so-called "Blight Proof."

Size	Each	Dozen	100
2 to 3 feet high (out)	.50	5.50	40.00

3 to 4 feet	.85	8.25	65.00
4 to 6 feet	1.00	10.75	85.00

Varieties: ✓ Kieffer, ✓ Garber, ✓ Chinese Sand and ✓ Leconte. The first three are less subject to blight than Leconte, but Leconte is the best eating pear.

FIGS.

The fig is less subject to insects and tree diseases than most other fruit trees; it will grow almost anywhere.

Size	Each	Dozen	100
2 to 3 feet high	.35	3.60	25.00
3 to 4 feet high	.50	5.40	40.00
4 to 5 feet	.75	8.25	65.00

Varieties: Celeste (sugar fig) Brunswick.

Special Fig, Early May, ripen in May \$2.00 each. ✕

JAPAN PERSIMMONS.

Like the fig, Persimmons are not attacked by insects or disease; they are a most excellent fresh fruit; also make delicious preserves.

Size	Each	Dozen	100
3 to 4 feet high	.75	8.25	65.00
4 to 5 feet high	1.00	10.00	85.00

Varieties: Triumph and Tane-Nashi.

GRAPES

This is another fruit that grows easily and does well; that is, the right kinds: the tender California varieties are not adapted to the coast country.

Size	Each	Dozen	100
1 year vine	.35	3.50	25.00
2 year vine	.50	5.25	40.00
3 year vine	.65	7.25	50.00

Varieties: Champion (black), Southern Concord (black), ✓ Niagara (white), ✓ Muscadines (white, bronze and black) 75c each; Male vines 75c.

MULBERRIES.

Mulberries are valuable in chicken and hog lots both for shade and cheap feed. The Stubbs variety is also a good (the best) kitchen fruit.

Size	Each	Dozen	100
3 to 4 feet high	.65	7.25	
4 to 5 feet high	.75	8.25	
5 to 7 feet high	1.00	10.50	

Varieties: ✓ Stubbs and Downing.

NECTARINES.

This is the fuzzless peach that is often mistaken for apricots; Nectarines do well while apricots are usually a failure.

3 to 4 feet trees

\$1.00 each

QUINCE

Do fairly well; good for preserving. Large 2 year trees, \$1.00 each.

POMEGRANATES.

Here is another combination fruit tree and ornamental shrub; they bloom nearly all summer. Fruit has a delicate flavor all its own; makes good jellies, etc. Strong 1 year plants or bushes, 50c each.

BLACKBERRIES AND DEWBERRIES.

With a little care and attention you can have these luscious improved berries in your garden; plant a narrow bed along the fence; they are wonderful yielders.

Size	Each	Dozen	100
1 year plants	\$.25	\$1.50	\$10.00

STRAWBERRIES.

Any variety (Klondyke is the general favorite)
\$1.00 per 100

MAY-HAW.

Plant them along a gully or pond; one of the finest jelly fruits. They are also said to do well on high ground.

Small trees, 2 to 3 feet high, 50 cents each.

CAMPHOR.

This is one of the finest evergreen shade trees that grows in the South; also good for wind-break, and makes a fine hedge.

Size	Each	Dozen	100
1 1/2 to 2 feet high	\$.50	\$ 5.25	\$40.00
2 to 3 feet high	.75	8.25	
3 to 4 feet high	1.00	10.50	
4 to 5 feet high	1.50	15.00	

PALMS.

The two best known Palms for out door planting are Washingtonia Robusta (California Fan Palm) and Phoenix Canariensis or "Long Leaved Palm." The

Washingtonia grows much faster and is best suited for planting where little space is available, as curb or street planting, etc.

Price on Washingtonias:

Size	Each	Dozen
1 1/2 to 2 feet	\$1.50	\$15.00
2 to 3 feet	2.50	27.00
3 to 3 1/2 feet	3.50	39.00
3 1/2 to 4 feet	4.50	48.00

Prices on Phoenix Canariensis.

Size	Each	Pair
1 1/2 to 2 feet	\$3.00	\$5.50
2 to 3 feet	5.00	9.00

LOQUATS

This is the broad leaved evergreen tree sometimes called Japan Plum. Ripens fruit only in mild winters, but it is a good ornamental; blooms are very fragrant.

Size	Each	Pair
12 to 18 in. B-B	\$1.50	\$2.50
1 1/2 to 2 feet B-B	2.00	3.50
2 to 3 feet B-B	2.50	4.50
3 to 4 feet B-B	3.00	5.00
4 to 5 feet B-B	3.50	6.50

ARBORVITAES.

These are probably the best known of all shrubs; commonly called "Evergreens." There are many kinds but we offer only two of the best; Compacta (dwarf) and Pyramadalis (larger.)

Size Compacta	Each	Pair
12 to 15 in. B-B	\$1.50	\$2.75
15 to 18 in. B-B	2.00	3.50
18 to 24 in. B-B	2.50	4.50

Size, Pyramadalis	Each	Pair
1 1/2 to 2 ft. B-B	\$2.00	\$3.50
2 to 2 1/2 ft. B-B	2.50	4.50
2 1/2 to 3 ft. B-B	3.00	5.50

Un-named Arborvitaes, fine plants, 1 1/2 to 2 feet high, B-B, \$1.50 each.

RED CEDARS.

Large evergreen, needs plenty room; grows 30 feet high.

Size	Each	Pair
2 to 3 ft. B-B	\$2.00	\$3.50
3 to 4 ft. B-B	3.00	5.50
4 to 5 ft. B-B	4.00	7.50

EVERGREEN CYPRESS.

A good large evergreen with rather open habit of growth.

Size	Each	Pair
2 to 3 feet B-B	\$1.50	\$2.75
3 to 4 feet B-B	2.50	4.50
4 to 5 feet B-B	3.50	6.50

LIGUSTRUM Lucidum.

A very fine, rather dwarf, broad leaved evergreen shrub with large dark-green, waxy like leaves.

Size	Each	Pair
12 to 15 in. B-B bushy	\$1.25	\$2.25
15 to 18 in. B-B "	1.50	2.75
18 to 24 in. B-B "	2.00	3.50
24 to 30 in. B-B very bushy	3.00	5.50
30 to 36 in. B-B " "	4.00	7.50

LIGUSTRUM Japonica.

A taller growing variety than the above; can be trained to a good shade tree.

Size	Each	Pair
3 to 4 feet B-B	\$2.00	\$3.50
4 to 5 feet B-B	2.50	4.50

PITTOSPORUM.

One of the best evergreen shrubs on our list; blooms, creamy-white, and are very fragrant.

Size	Each	Pair
12 to 15 inches B-B	\$1.50	\$2.75
15 to 18 inches B-B	2.00	3.50
18 to 24 inches B-B	2.50	4.50

LIVE OAKS.

The "Boss" of all large evergreen shade trees.

Size	Each	Pair
2 to 3 feet B-B	\$2.00	\$3.50
3 to 4 feet B-B	2.50	4.50

Not B-B; bare roots, at $\frac{1}{2}$ above prices.

BOX ELDER.

A good, small or medium shade tree; not evergreen.

Size	Each	Ten
3 to 4 feet	\$1.00	\$ 7.50
4 to 5 feet	1.25	10.00
5 to 6 feet	1.50	12.50

TEXAS UMBRELLA OR CHINA UMBRELLA.

The well known, umbrella like, quick growing shade tree.

Size	Each	Ten
2 to 3 feet	\$.50	\$4.00
3 to 4 feet	.75	6.00
4 to 5 feet	1.00	7.50

HEDGE.

This variety (Amoor River South) is the pretty, small leaved kind. It is perfectly evergreen and is much better than the old California variety.

Size	Each	100	1000
18 to 24 in. branched	.20	\$15.00	\$100.00

CREPE MYRTLE.

This is the finest deciduous (leaf shedding) flowering shrub or small tree in the South or anywhere else. Blooms from June 'till October. Red, Pink, Purple and White.

Size	Each	Ten
1 yr. light	\$.50	\$4.00
2 yr. bushy	1.00	7.50
3 yr. straight. 4 ft. trunk	2.50	

CAMELLIAS.

These are the gorgeous, Winter-Blooming, ever-green shrubs so much admired, especially by visitors from the North. Double Red, Pink, Shell Pink, White and Variegated.

Size	Each	Pair
8 to 10 in., small	\$2.25	\$4.00
12 to 15 in., fine plants	3.00	5.50

AZALEAS.

This is positively the most showy flowering shrub that grows; blooms in Early Spring and looks like a huge boquet. Purplish-pink.

Size	Each	Pair
15 inch, fine plants	\$2.50	\$4.50

SWEET OLIVE.

Evergreen, upright grower; not much for looks, but Oh the smell.

Size	Each
12 to 15 in., bushy	\$1.25
15 to 18 in., "	1.50
18 to 24 in., "	2.00

MAGNOLIA FUSCATA (Banana Shrub),

So called from the banana-like fragrance of its blooms; a good shrub; evergreen.

Size	Each
15 to 18 in., bushy	\$1.50
18 to 24 in., "	2.00

OLEANDERS.

Large bushy evergreen shrub with clusters of fragrant pink flowers.

Large 2 year plants, 5 to 7 ft. B-B \$3.50 each.

BUDDLEIA.

A new shrub also called Butterfly Bush because it seems to attract the big butterflies in large numbers. It is evergreen and blooms all summer. Strong 2 yr. old plants 75 cents each.

HYDRANGEAS

Often called "snow ball," from the large clusters of white flowers. We also have the blue and pink varieties; these should be planted in a shady location on the north side of the house.

Size	Each	Ten
Small B-B	\$.50	\$4.00
Medium B-B	.75	6.50
Large B-B	1.00	8.00

CAPE JASAMINE.

A desirable broad leaved evergreen shrub with large fragrant white blossoms.

Size	Each	Pair
18 to 24 in. B-B	\$1.00	\$1.75
24 to 30 in. B-B bushy	1.50	2.75

ABELIA GRANDIFLORA.

This is a comparatively new shrub; very dark green in winter; begins blooming in the spring and continues all summer; rather dwarf in habit; flower white and small.

Size	Each	Pair
12 to 18 in. bushy, B-B	\$1.50	\$2.75
18 to 24 in. bushy, B-B	2.00	3.50

ROSES (bush)

Red Roses: Helen Gould, Red Radiance, Rhea Ried, Teplitz and Baby Rambler. Pink roses: Bridesmaid, Killarney, Pink Radiance, Pink Mamon Cochet. Yellow roses: Etoile de Lyon, Blumschmidt, Mlle. Francisca Kruger. White Roses: Kaiserin Augusta Victoria and White Mamon Cochet.

THE JENNINGS NURSERY, Jennings, La.

Amount Enclosed.....

 Write 10 names to whom we may send our Catalogue on the back of this sheet

CLIMBING ROSES.

Climbing American Beauty (Red), Mareschal Niel (Yellow), Flower of Fairfield (small cluster rose red.)

Size	Each	Ten
2 year strong plants	\$1.00	\$9.00
2 year medium plants	.75	7.00
2 year small plants	.50	4.50

VINES.

Nothing adds to the beauty of the home and surroundings like well placed vines. We offer Bignonia Speciosa (purple trumpet) a fine evergreen vine with large glossy leaves and clusters of light purple flowers; Confederate Jessamine, another good evergreen vine, with fragrant white flowers; Purple Wisteria, a very vigorous climber (not evergreen.)

Size	Each	Ten
Strong 2 year vines	\$1.00	\$9.00

ROSA de MONTANA,

Also called Mountain rose, Mexican rose, Pink vine, Love vine and a number of other names. It is a grand, rapid growing sort; blooms in long loose clusters unlike any other vine, from June till frost; dies to ground in the winter and comes back stronger than ever in the spring.

Strong 2 year roots 75 cts each

BULBS.

Amarylis (large, early and red lily), Confederate Lily, blooms all summer, white and pink stripes.

Prices	Each	Dozen
Large bulbs	\$1.00	\$10.00
Small bulbs	.50	5.00
Tuberoses, large	.15	1.50

FERNS.

Upright varieties, Boston, etc., 35c each and up
Hanging varieties, Asparagus .50 each

TOP WORKING LARGE PECAN TREES.

If you have large barren Pecan tree or trees that bear small inferior nuts, see us about them. We can top-work, that is, bud them in the branches to large paper-shell varieties, and in two to three years they will be bearing fine large nuts. Prices on this work made upon application.
